#### STATEMENT OF OBJECTS AND REASONS

At the time of enactment of the Kerala Water Supply and Sewerage Act, 1986 (Act 14 of 1986) there was not much demand for Water Supply and the Act did not provide for tackling the occurrences of theft and misuse of water, unauthorised connection etc. For want of provisions in the Act, the Kerala Water Authority is not in a position to take effective remedial measure to curb such acts. Accordingly it is found that the Act requires, certain changes to tackle such alarming situation.

2. Government have also decided for setting up of bottling plants to provide good quality bottled drinking water to the public at reasonable price.

3. As the Legislative Assembly of the State was not in session and the above proposals had to be given effect to immediately, the Kerala Water Supply and Sewerage (Amendment) Ordinance, 2008 was promulgated by the Governor on the 29th day of January, 2008 and the same was published as Ordinance No.4 of 2008 in the Kerala Gazette Extraordinary No. 226 dated the 29th day of January, 2008.

4. A Bill to replace the said Ordinance by an Act of State Legislature could not be introduced in, and passed by, the Legislative Assembly during its session, which commenced on the 20th day of February, 2008 and ended on the 19th day of March, 2008.

5. Therefore, in order to keep alive the provisions of Ordinance No. 4 of 2008, the Kerala Water Supply and Sewerage (Amendment) Ordinance, 2008 was promulgated by the Governor on the 1st day of April, 2008 and was published as Ordinance No. 12 of 2008 in the Kerala Gazette Extraordinary No. 652 dated the 1st April, 2008.

6. The Bill seeks to replace the said Ordinance by an Act of the State Legislature.

The Bill, if enacted and brought into operation, would not involve any expenditure from the Consolidated Fund of the State.
