STATEMENT OF OBJECTS AND REASONS

A large number of Medical, Dental, Homoeo, Nursing, Ayurveda and Pharmaceutical colleges are functioning under Government sector in the State. Apart from this, medical educational institutions are functioning under aided and self-financing sector as well. These health institutions are affiliated to different Universities. But the curriculum and other academic matters are governed by the Medical Council of India, Dental Council of India, Nursing Council of India, Paramedical Council of India and other such councils. All these bodies insist for uniformity in starting of courses, conduct of examination and other curricular activities. But the different Universities in the State are functioning under different enactments. There is no uniformity in conducting courses, examination calendar etc. This creates a lot of problem in the field of medical education in Kerala. To bring about uniformity in the matter of medical education in the State, it is highly essential to establish a separate University of Health and Allied Sciences in the State.

2. Another major reason and logic for establishing a Medical University in Kerala is to uplift and strengthen the quality of Medical Education. In 2001, Government of Kerala took a policy decision to grant NOC to any agency that approached it for permission to start self-financing colleges in medical sector. This led to an overnight explosion in the number of self-financing institutions in health sector. So a separate University and a uniform law is necessary to regulate all these medical institutions.

3. The establishment of the Medical University is an important policy decision of the Government which had been included in the address of His Excellency the Governor of Kerala to the Kerala Legislative Assembly during 2006 and the Budget speech of the Government. Accordingly Government had appointed a committee on 2nd December, 2006 under the chairmanship of Dr.B.Ekbal, former Vice-Chancellor of the University of Kerala to study about the feasibility to establish a University for Medical and Allied Sciences and to submit the detailed project report. The committee submitted its report on 7th April, 2007.

4. The Council of Ministers at its meeting held on 21st August, 2008 as item No. 2596 approved the report and decided to establish Kerala University of Medical and Allied Sciences, with its headquarters at Thrissur.

5. Government had also constituted a High Power Committee with Hon'ble Minister for Health and Social Welfare as the Chairperson and including eminent academic and professional experts as members on 27th August, 2008 to study the project report and to consider the policy matters regarding the establishment of the Medical University and to advise the Government on further course of action.

6. The Committee had suggested to include Modern Medicine, Ayurveda, Homoeopathy, Siddha, Unani, Naturopathy, Nursing, Pharmacy and other allied Medical subjects and all Para Medical subjects under the purview of the new University. It was also suggested to change the name of the University as Kerala University of Health and Allied Sciences. Accordingly Government had decided to establish a University in the name of Kerala University of Health and Allied Sciences through an Ordinance, since the University had to be established immediately so that the admission process of the students could begin from the academic year 2010-2011 onwards.

7. As the Legislative Assembly was not in session and the proposals had to be given effect to immediately, the Kerala University of Health and Allied Sciences Ordinance, 2009 (25 of 2009) was promulgated by the Governor on the 7th day of December, 2009 and the same was published in the Kerala Gazette Extraordinary No. 2273 dated 7th December, 2009.

8. A Bill to replace the said Ordinance by an Act of the State Legislature could not be introduced in, and passed by, the Legislative Assembly during its session held on the 29th day of December, 2009 and as the provisions of the said Ordinance have to be kept alive, the Kerala University of Health and Allied Sciences Ordinance, 2010 (7 of 2010) was promulgated by the Governor on the 22nd day of January, 2010 and the same was published in the Kerala Gazette Extraordinary No. 168 dated 23rd January, 2010.

9. The Bill seeks to replace the Ordinance No. 7 of 2010 by an Act of the State Legislature.

FINANCIAL MEMORANDUM

Clause 64 of the Bill provides for the formation of Kerala University of Health and Allied Sciences Fund. All grants and loans received from the State Government, the Government of India, the University Grants Commission and from any other source and certain other revenues and income of the University shall together form the Fund. Clause 65 of the Bill provides for the grants to be given to the University from the Consolidated Fund of the State through its annual budget.

In the financial year 2009-2010, an amount of Rupees ten crores has been earmarked in the Budget as non-recurring expenditure towards grant-in-aid to the Kerala University of Health and Allied Sciences. In the coming years also, Government have to earmark non-recurring expenditure towards grant-in-aid in its annual budget to meet the administrative and developmental expenses of the University.
