STATEMENT OF OBJECTS AND REASONS

In sub-section (1) of section 143A of the Kerala Municipality Act, 1994, (20 of 1994) it has been provided that a councillor shall, within three months from the date of assuming his office, submit a statement of assets and liabilities of himself and other members of his family, in the prescribed form, to the competent authority authorised by the Government by notification in this behalf. But, the fact has come to the notice of the Government that as this time limit is very short, many of the Councillors in the State could not submit their statement of assets within this time limit. As it is the first election held after enhancing the reservation of women to fifty percent and the members including the women members were engaged in the developmental activities of their wards, they could not, within the said short period of time, submit the statement of assets. Therefore, in order to avoid the elected members who could not submit the statement of assets within the fixed time limit from being disqualified, the Government have decided to amend the said Act with retrospective effect by extending the time limit of within three months in the said section to fifteen months.

2. The Government consider that along with the steps being taken for the effective management and disposal of various kinds of waste being increased in the State day by day, suitable legislation is also required for the same. Therefore, the Government have decided to incorporate provisions in the said Act for segregating the waste into bio-degradable and non bio-degradable wastes at the source itself and to make the arrangements for waste disposal compulsory in trade centers, hospitals, markets, slaughterhouses, chicken stalls, marriage halls, houses having more than three storeys, to impose fine to those who do not have such arrangements, to fix the minimum price of plastic covers and carry bags with the intention to reduce the use of plastic covers and carry bags, to levy additional fee for their sale, to constitute a special fund for the disposal of waste, by crediting the additional fee and the fine from the cases, being realised in this connection to Local Self Government Institutions. Besides, the Government consider that in order to make the processing and disposal of waste more effective, the punishment for those who deposit waste in public places and those who do not segregate the waste at source shall be enhanced.

3. Though the Kerala Municipality (Amendment) Bill, 2011 for amending section 143 A of the said Act was published as Bill number 56 of the Thirteenth Kerala Legislative Assembly, the same could not be introduced in, and passed by, the Legislative Assembly.

4. As the Legislative Assembly of the State of Kerala was not in session and the above proposals had to be given effect to immediately, the Kerala Municipality (Second Amendment) Ordinance, 2011 was promulgated by the Governor of Kerala on the 23rd day of November, 2011 and the same was published as Ordinance number 52 of 2011 in the Kerala Gazette Extraordinary number 2220 dated 25th November, 2011.

5. A Bill to replace the said Ordinance by an Act of the State Legislature could not be introduced in, and passed by, the Legislative Assembly of the State of Kerala during its session which commenced on the 9th day of December, 2011 and ended on the same day.

6. In order to keep alive the provisions of the said Ordinance, the Kerala Municipality (Amendment) Ordinance, 2012 was promulgated by the Governor of Kerala on the 18th day of January, 2012 and the same was published as Ordinance number 10 of 2012 in the Kerala Gazette Extraordinary number 147 dated 20th January, 2012.

7. A Bill to replace the said Ordinance by an Act of the State Legislature could not be introduced in, and passed by, the Legislative Assembly of the State of Kerala during its session which commenced on the 1st day of March, 2012 and ended on the 23rd day of March, 2012.

8. In order to keep alive the provisions of the said Ordinance, the Kerala Municipality (Amendment) Ordinance, 2012 was promulgated by the Governor of Kerala on the 11th day of April, 2012 and the same was published as Ordinance number 33 of 2012 in the Kerala Gazette Extraordinary number 735 dated 11th April, 2012.

9. This Bill seeks to replace Ordinance number 33 of 2012 by an Act of the State Legislature.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any additional expenditure from the Consolidated Fund of the State.
