ORDER

The Multi Grade Learning Centres (MGLC's) were started in remote and critical pockets in the state without access to learning of children. The Ministry of Human Resources Department, Government of India over a period of time 2001-2002 to 2011-2012, gave approval for upgrading Multi Grade Learning Centres (MGLC's) in to Primary schools and construction of school buildings.

2) As part of the twelfth five year plan 2012-17, the first year programme for 2012-13 included the scheme of Right of the Children to Free & Compulsory Education Act, 2009. The scheme envisaged that every child of the age 6 to 14 years shall have the right to free and compulsory education in a neighbourhood school till completion of elementary education. For this the existing 250 Multi Grade Learning Centres (MGLC) were proposed to be upgraded up to standard 8 in a phased manner with the financial assistance of Central Government. Teaching and non-teaching staff including full time menial has to be appointed and infrastructure facilities have to be provided in all these graded schools.

3) The funds for the upgradation/conversion of the Multi Grade Learning Centres is provided by the Central Government through Sarva Shiksha Abhiyan (SSA). It is reported by the Project Director, SSA that salary for two teachers, building, school grant etc. should be provided by the Central Government and the ratio of central and State share is 65:35 and 35% of the state share collecting from the respective Local Self Government Institutions.

4) The Director of Public Instructions has reported that there are a total number of 111 Multi Grade Learning Centres that are acquired land free of cost are eligible to be converted as LP schools as first stage and submitted a detailed proposal as per the letter read as 3rd paper above.

5) As per the letter read as 4th paper above, the Project Director, SSA has forwarded the proposal for financial commitment towards the upgradation/conversion of 111 MGLCs as detailed below.

Financial commitment for upgradation of 111 MGLC's to

Primary Schools

Civil work	-	3157.22 lakh
salary	-	1478.52 lakh
Total financial commitment for 111 schools	-	4635.74 lakh

6) At present there was a Government policy existing regarding the upgradation of the schools that was issued as per Government Order read as 1st paper above. Accordingly no School will be sanctioned/upgraded in Government/Aided sector in normal course. But under the special circumstances the upgradation can be done. The existing MGLCs should be upgraded to the primary school for getting the adequate Central funds earmarked for years ago.

7) The upgradation/conversion of the schools in the state is being made based on the procedure laid down under Rule 2.2A of Chapter 5 of Kerala Education Rules. The proposal for the upgradation/conversion of Multi Grade Learning Centres(MGLC) deserves special consideration and

which requires relaxation of the procedures laid down in Chapter V of Kerala Education Rules. The upgradation/conversion of the MGLC's into L.P. school will cater the educational need of the locality, especially the socially and educationally backward community. The Director of Public Instructions had recommended upgradation/conversion of the 111 MGLCs to L.P. School which requires relaxation of rule 2 Chapter V of the Kerala Education Rules and provisions in G.O. (P) 107/2007/G.Edn. dated 13.06.2007.

8) Government have examined the proposal in detail and are pleased to accord sanction for the upgradation/conversion of 111 Multi Grade Learning Centres to L.P. schools as appended as Annexure as a Special Case subject to the following conditions and in relaxation of Rule 2, 2A Chapter V of Kerala Education Rules and the provisions in G.O. (P) 107/2007/G.Edn. dated 13.06.2007.

- 1) Guidelines of the projects should be issued only with the concurrence of Government.
- 2) Creation of Post and Appointment of teaching / non teaching staff will be on daily wage alone and will be with the approval of Government.
- 3) Minimum student strength for each class and school, Teacher - student ratio, number of non teaching staff, Qualification required etc. will be mentioned in the Guidelines.
- 4) Funds from LSGD's should be ensured by the Project Director, S.S.A.. Government will not provide fund for the scheme at any point of time.
- 5) The minimum requisite distance from the nearest school (Government/Aided) shall be 3 kms.
- 6) The school already availing / receiving grants / benefits from Government of India for upgradation under any other scheme will not be included in this scheme.

9) The Project Director S.S.A. is directed to furnish the suitable project guidelines satisfying the above conditions to Government for approval through the Director of Public Instructions
