STATEMENT OF OBJECTS AND REASONS

The Kerala Industrial Establishments (National and Festival Holidays) Act, 1958 (47 of 1958) is applicable to factories and to the Industrial Establishments employing twenty or more persons. A vast majority of the employees in the industrial establishments, which are not coming under the purview of this Act, are required to work on days of National importance and on the International Labour Day etc., that too without any compensatory benefits. This is causing hardships and is detrimental to the interests of the working class. Therefore, it is proposed to make provisions for allowing National Holidays on Republic day, International Labour Day, Independence Day and Gandhi Jayanthi for all establishments, irrespective of the number of persons employed therein.

Hardships of similar nature are also being faced by the contract employees and private security personnel working in industrial establishments. Therefore, it is proposed to make specific provisions extending the benefits of this Act to those employees also.

The Government have received many complaints regarding the absence of holidays on the dates of polling to the General elections to Parliament, State Legislative Assembly and Local Bodies. Exercising franchise is a constitutional right. Hence it is felt necessary to make necessary provisions in this regard. It is proposed to make it obligatory for the employers to allow paid holidays to the eligible employees, during general or bye-elections to Parliament, State Legislative Assembly and Local Bodies, so as to enable them to exercise franchise in consonance with the provisions of the Representation of the People Act, 1951 (Central Act 43 of 1951).

According to sub-section (2) of section 5 of the Act, an employee is eligible for twice the wages and a substituted holiday on any other day, when he is required to work on any National or Festival holiday. But in the cases where the employer fails or refuses to submit the list of holidays for approval, as per the Act, the employees were not provided with the benefits envisaged under the Act. This is found unfair and therefore, it is proposed to make provisions for allowing National and festival holidays to the employees in an industrial establishment, even if an employer fails or refuses to submit the list of holidays for approval.

Government have decided to amend the Kerala Industrial Establishments (National and Festival Holidays) Act, 1958 (47 of 1958) suitably by incorporating provisions in the Act for curing the existing defects as above and also to facilitate effective implementation of the Act by enhancing and augmenting the penalties.

This Bill seeks to achieve the above object.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any additional expenditure from the Consolidated Fund of the State.

MEMORANDUM REGARDING DELEGATED LEGISLATION

1. Section 3B proposed to be inserted by clause 3 of the Bill seeks to empower the Government to prescribe the manner in which the list of holidays are to be prepared.

2. Sub-section (3) of section 5A proposed to be inserted by clause 8 of the Bill seeks to empower the Government to specify the other rate of holiday wages.

3. Sub-section (1) of section 5B proposed to be inserted by clause 8 of the Bill seeks to empower the Government to issue notification to appoint the Appellate Authority.

4. Sub-section (3) of section 5B proposed to be inserted by clause 8 of the Bill seeks to empower the Government to prescribe the form and fee for filing appeal.

5. Section 5C proposed to be inserted by clause 8 of the Bill seeks to empower the Government to prescribe the manner of displaying the notices.

6. The matters in respect of which rules may be made or notifications may be issued are matters of procedure and are of routine or administrative nature. Further, the rules, after they are made, are subject to scrutiny by the Legislative Assembly. The delegation of legislative power is thus, of a normal character.
