GOVERNMENT OF KERALA

Abstract

PWD- Strengthening and restructuring of the existing organizational set up and staff pattern of the Design wing, Investigation & Quality Control wing of Public Works Department - Approved- Orders issued.

PUBLIC WORKS (A) DEPARTMENT

G.O.(Ms)No. 15/2017/PWD Dated, Thiruvananthapuram, 23/02/2017

Read: Letter No.CE/HRD/Gen/2012 dated 28-10-2016 from the Chief Engineer [Design & Administration], Public Works Department, Thiruvananthapuram.

ORDER

As per letter read above, the Chief Engineer (Design & Administration), Public Works Department has submitted a proposal for strengthening and restructuring of the existing organizational set up and staff pattern of the Design wing, Investigation & Quality Control wing of Public Works Department, considering the present and future needs.

[2] The proposal is to strengthen the existing Design wing at PWD Head Quarters by the formation of seven design units viz (i) Structural Design Unit, (ii) Bridge Design Unit, (iii) Highway Design Unit, (iv) Project Preparation Unit (v) Geotechnical Engineering Unit, (vi) Environmental Engineering Unit and (vii) MEP (Mechanical, Electrical and Plumbing) Design Unit, by reconstituting the existing three units. It is also proposed to set up two Regional Design offices at Ernakulam and Kozhikode. For the restructuring and formation of Design offices, Engineers in the cadre of Superintending Engineer, Executive Engineer, Assistant Executive Engineers and Assistant Engineers are to be deployed from existing posts in other wings of the Department. The number of additional posts required in the cadre of Assistant Engineers is 54, in addition to the existing sanctioned posts of 21 numbers. For the required number of additional 54 posts,

36 number of posts can be deployed and the remaining 18 numbers are to be newly created. It is also proposed to re-designate existing posts considering the professional practices in design followed internationally.

[3] It is also proposed to form a new Investigation & Quality Control Regional Laboratory at Thiruvnanathapuram and new Investigation Units along with existing Quality Control Regional laboratories at Ernakulam and Kozhikode. As soil exploration is the main activity in the investigation work for DPR preparation, it is proposed to have a Geotechnical Engineer in the cadre of Asst. Executive Engineer for heading the investigation unit along with two Assistant Geotechnical Engineers and one Assistant Traffic Engineer in the cadre of Assistant Engineer. As the jurisdiction of a Regional laboratory is 4 to 5 districts, 2 more post of Assistant Engineers are essential for conducting Topographical and Hydraulic survey. All the required posts are to be deployed from existing posts in other wings of the Department. It is also proposed to re-designate the Assistant Executive Engineer and Assistant Engineer in the Quality Control laboratory as Material Engineer and Assistant Material Engineer respectively considering the professional practices in construction followed internationally.

[4] Government have examined the matter in detail and are pleased to accord sanction for the strengthening of Design Wing and Investigation & Quality Control Wing of PWD as follows:

- i. The existing Design Wing of PWD is strengthened by the formation of seven design units at the Chief Design Office by the reconstitution of the existing three units and by the setting up of two Regional Design Offices at Ernakulam and Kozhikode as detailed in Annexure I.
- ii. 18 new posts of Assistant Engineers are created for the above purpose subject to the condition that the creation of posts will be on a supernumerary basis and these posts will cease to exist on shifting back of redeployed engineers from Kerala State Transport Project on the expiry of the project. The remaining posts for the purpose will be filled up by redeployment as detailed in Annexure II. Re-designation of posts as detailed in

Annexure I & II is also sanctioned.

- iii. The Investigation & Quality Control Wing of Public Works Department is strengthened by the formation of a new Regional Investigation & Quality Control Lab at Thiruvananthapuram. In addition to the existing Regional Investigation and Quality Control Laboratories at Emalulum and Kozhikode and the formation of Investigation Units in all three Regional Investigation and Quality Control Labs together with re-designation of posts as detailed in Annexure III & IV, subject to the condition that it will be wholly by re-deployment of existing staff and there will be no new post creation.

(By order of the Governor)

SUBRATA BISWAS

ADDITIONAL CHIEF SECRETARY

To:- The Chief Engineer [Design & Administration], Public Works
Department, Thiruvananthapuram.
