## Abstract

General Edn. - Higher. Secondary Education - Academic year 2000-2001 -Sanctioning of Higher Secondary Schools in Thiruvananthapuram District - Orders Issued.

### GENERAL EDUCATION (T) DEPARTMENT

G.O.(MS)No. 241/2000/G.Edn.

Dated, Thiruvananthapuram, 26-07-2000

Read:-Judgement Dated:07-07-2000 of the Division Bench of the Hon'ble High Court.

### ORDER

- Consistent with the National Education Policy of 1986 Government have decided to de-link Pre Degree from colleges in a phased manner and to introduce 10+2 system in High Schools. Government have decided to complete this process of de-linking during 2000 itself and therefore, it has become necessary to sanction Higher Secondary courses in a few more schools so as to provide adequate facilities to students. As per G.O.(MS)No. 179/2000/G.Edn. Dated: 02-06-2000 and G.O.(MS)No. 209/2000/G.Edn. Dated: 24-06-2000 Government had issued orders sanctioning Higher Secondary in 348 schools
- These G.O.s were challenged in a number of O.Ps filed before the Hon'ble Court. The Division Bench of the Hon'ble High Court headed by the Hon'ble Chief Justice set aside the Government orders Dated: 02-06-2000 and 24-06-2000 and directed the Government to reconsider all the 1429 applications in accordance with the norms laid down by the Government in various Government orders in this regard. The Hon'ble Court further ordered to give due consideration to the educational need and social backwardness of an area while sanctioning new Higher Secondary Schools. The Hon'ble Court ordered that the Government must consider the applications of recognised unaided schools, if there is no Government or Aided schools in the Educational District to meet such need. It was also stipulated by the Hon'ble Court that the revised list of schools will be published on or before 26<sup>th</sup> July so as to effectively commence the classes on the 1<sup>st</sup> of August.
- Accordingly all the applications were sent to the District Level Committee consisting of District Collector, District Panchayat President and Deputy Director of Education for inspection and physical verification of the facilities available. The District Level Committee submitted its recommendations along with the list of eligible Institutions.
- The reports received from the District Level Committee, were scrutinised by the Government and evaluated with reference to the norms laid down in G.O.(MS)No. 107/2000/G.Edn. Dated: 30-03-2000 and the principles stipulated by the Hon'ble High Court in their Judgement. The merit of every individual applicant was assessed with reference to the proximity of the school to the de-linked college, social backwardness of the area, infrastructural facilities available, academic attainment and students' strength of every school and the need to correct the educational imbalances of the area. The number of students who passed SSLC, the number of PDC seats lost by PDC de-linking and the availability of existing Higher Secondary seats in the districts were also taken into account. Thiruvananthapuram being a corporation area a large number of students seek admission as there had been traditionally a concentration of colleges in these areas and heavy demand for Schools. The factors were also duly considered.
- The District Level Committee, Thiruvananthapuram had recommended 73 schools out of which 37 are Government schools and 36 Aided schools. After evaluating the relative merits of the applicants as detailed in paras above, Government are pleased to sanction Higher Secondary courses in the following schools with the batches noted against their names. Orders regarding the combination of subjects will be issued separately.

### ORDER

Government, have sanctioned Plus Two Batches to existing Higher Secondary Schools as per the Government Orders read above. It has come to the notice of Government that some of the Schools which have been granted with additional batches have not started classes in the year of sanction itself due to various reasons. 4. ### Abstract

General Education – Higher Secondary Education– St.Little Thersa's Higher Secondary School, Thekkenada, Vaikom – Request for conversation of Humanities Batch to Science Batch sanctioned – Orders Issued.

### GENERAL EDUCATION (T) DEPARTMENT

G.O.(MS)No. 4348/2002/G.Edn.

Dated, Thiruvananthapuram, 10-12-2002

- Read:-1. Representation Dated: 10.2.2002 from the Manager, St. Little Theresa's Higher Secondary School, Vaikom.  
2. Judgment Dated: 17.6.2002 in O.P.No. 15584/2002.  
3. Letter No.Acd.B1/16442/HSE/2002 Dated: 10.10.2002.

### ORDER

St. Little Teresa's Girls Higher Secondary School, Vaikom became a Higher Secondary School when Government of Kerala sanctioned three batches viz. 2 Science and one Humanities in the academic year 1998-99. The school authorities applied for an additional Science batch and a new batch in Commerce in they had been sanctioned a batch in Humanities vide G.O.(R)No. 214/2000/G.Edn. Dated: 28.06.2000. Therefore Manager of an additional Science Batch instead of Humanities Batch. High Court of Kerala in their Judgmen Dated: 17.6.2002 directed to the Educational Authorities to consider and pass appropriate orders in accordance with law within a period of 6 week from the date of receipt of a copy of judgment. A personal hearing was also conducted on 29.10.2002 at 11 A.M. Manager of the school and the representation of the school were also present for the hearing. At the time of hearing the Manager informed that they clarified their helplessness before the authorities in the successive hearing conducted on 27.10.2001 at collectorate, Kottayam and 10.2.2002 before the Secretary to Government. General Education Department and also that they already existing. Humanities Batch itself struggles to get the required minimum number of students. Manager therefore requests to reconsider their application and convert the allotted Humanities batch in to a Science Batch. The School has not admitted students to the additional batch in question.

2. Director of Higher Secondary Education has reported that if the Humanties batch with communicative English combination is changed to Science batch with Physics, Chemistry, Mathematics, Biology combination, the Higher Secondary School Teacher (Junior) posts will be upgraded to HSST post in Physics, Chemistry and Mathematics and that the change requested is not allowed and the combination continue to be Economics, Gandhian Studies, Communicative English and Computer Application, three HSST (Jr.) posts will arise during the first year and these posts will have to be converted to HSST posts during the second year. Moreover one additional HSST (Jr.) will arise in one subject. ie. in Economics in the second year. Director of Higher Secondary Education is of the view that additional financial commitment will be less consequent on the sanction of the change of Humanities Batch to Science batch with Physics, Chemistry, Biology, Mathematics combination.

3. The matter was examined in detail and found that additional financial commitment will be less as recommended by the Director of Higher Secondary Education consequent on the sanction of the change of Humanities batch to Science batch with Physics, Chemistry in the following reasons:-

In this School during 2001-2002, Class XI total students in the two batches of Science was 97 and in Humanities batch only 41 students. In the second year ie. in XII there was 100 students in two batches of Science and in Humanities batch only 38 students. Similarly during 2001-2002 for part III Science Group there were 3 Higher School Teachers. For Part III Humanities there were 4 Higher Secondary School Teachers.

4. As reported by the Director of Higher Secondary Education, if the change requested is not allowed, and the combination continues to be Economics, Gandhian Studies, Communicative English and Computer Application, Three HSST (Jr.) posts will arise during the first year and these posts will have to be converted to HSST posts during the second year. Moreover one additional HSST (Jr.) will arise in one subject, ie. in Economics in the second year. If the Humanities batch is changed to Science Batch the three Junior Higher Secondary School Teachers already working can attend the additional work and thus the posts will be upgraded Higher Secondary School Teacher Posts. No additional post is required. Thus as recommended by the Director of Higher Secondary Education additional financial commitment will be less consequent on the sanction of the change of Humanities batch to Science Batch with Physics, Chemistry, Biology, Mathematics combination.

5. Hence the request of the School Authorities for conversion of the Humanities Batch to Science Batch is allowed.

6. In the circumstances Government hereby order permitting the Manager, St. Little Theresa's Girls Higher Secondary School to commence an additional Science Batch converting the already sanctioned Humanities Batch as per G.O.(MS)No. 214/2000/G.Edn. Dated: 28.6.2000 in to Science batch.

## GOVERNMENT OF KERALA

No 11809/B1/97/H.Edn.

Higher Education (B) Dept., Thiruvananthapuram  
Dated: 24-04-1997

### CIRCULAR

Sub:- Pre-Degree delinking – Ban on creation of posts and filling up of vacancies in Colleges/Universities – Ordered.

Government have taken a policy decision to delink Pre-Degree Courses from the colleges in the State in a phased manner. It is proposed to complete the de-linking process during a period of three Academic Years commencing from July 1997. To achieve this nearly 1/3 of Pre-Degree batches have to be discontinued during the first year i.e 1997-98 and alternative facilities provided in the new Higher Secondary Schools to be started. The process would involve suitable deployment of the staff both teaching and non-teaching which may be rendered surplus. During discussions with service organisations Minister (Education) has made it clear that Government would protect the service interests of the existing teaching and non-teaching staff with the Colleges and the Universities which are likely to be affected by the proposed de-linking. During the last IUCC meeting it was decided that to avoid further, financial burden to the Government and Universities on account of protection of the teaching and non-teaching staff further appointments of teaching staff in the colleges and non-teaching staff in the college and Universities should be stopped immediately. In spite of this decision in December 1996, it is reported that the private colleges and Universities have been resorting to recruitment of teaching and non-teaching staff which may become a great financial burden for Government in future.

In the light of the facts stated above Government Order that no posts of teaching and non-teaching staff would be created in Government and aided colleges. The Universities will not create any posts of non-teaching staff without prior approval of the Government. The existing vacancies, if any, of teaching and non-teaching staff both in Government and aided colleges as well as the vacancies of non-teaching staff in the Universities should not be filled up.

The above instructions should be strictly complied and the Director of Collegiate Education would ensure that no approval is given for any un-authorised appointments.

N. CHANDRASEKHARAN NAIR,  
Principal Secretary.
