Radhu
Section Officer

KERALA ROAD SAFETY AUTHORITY

Established under KRSA Act 2007 - Government of Kerala

Road Safety Programmes using Kerala Road Safety Fund

Guidelines and Format for Submitting Proposal

AUGUST 2018

Fourth Floor - Trans Tower - Vazhuthacaud

Thiruvananthapuram - Pin:695 014 - Kerala

Telephone & Fax: 0471 - 2336369

e-mail: krsaoffice@gmail.com

The proposal should reach the Road Safety Commissioner, KRSA duly endorsed by the concerned Head of the Department or DRSC.

3. NEED FOR THE PROPOSAL

The proposals should establish the need for taking up the project by highlighting the road safety issues, suggested road safety interventions and the likely reduction of road fatalities and accident severity in the location where it is implemented. All proposals should be justified based on evidence, like speed, traffic conditions, past accident history of the location, etc.

4. TYPE OF PROPOSALS

The proposal for KRSA Funding should consist of one or more of the road safety interventions, targeting on high-risk spots or potential hazardous location at a particular spot or spread over a corridor. The following components become a part of the road safety improvements:

- Improvement of accident black spots and accident-prone locations,
- Traffic calming measures to enhance road safety,
- Safety of vulnerable road users like pedestrians, cyclists, 2-wheelers, etc,
- Improvement of road intersections, unsafe road crossings, access control, etc,
- School-Zone / Hospital Zone Treatment
- Purchase of Road safety devices and Enforcement equipment
- Community Participation in Road Safety Programs
- Post-Crash Emergency Management Programs
- Road Safety awareness program, Training for targeted groups, sustained campaign on helmet use, seatbelt, speed management, drunken driving etc.

After evaluation by a Technical Committee, the proposal will be considered for financial assistance. Procurement of equipment and implementation of the project shall be the responsibility of the concerned department/organisation, complying with purchase procedures and principles of financial propriety.

Works that form a part of the original estimate, that are normally carried out as Departmental work from the budgetary allocation should be avoided.

5. CONTACT INFORMATION

All District Road Safety Councils in the State of Kerala, Stake-holder Departments or Community based Organisations / NGOs who have demonstrated their expertise in delivering effective road safety programs, may apply for road safety project funding. The proposals completed in all aspects may reach the Road Safety Commissioner at the following address:

The Road Safety Commissioner
Kerala Road Safety Authority
Fourth Floor, Trans Tower
Vazhuthacaud, Thycaud (Post)
Thiruvananthapuram - Pin: 695014
Phone/Fax: 0471-2336369
E-mail: krsaoffice@gmail.com

KERALA ROAD SAFETY AUTHORITY

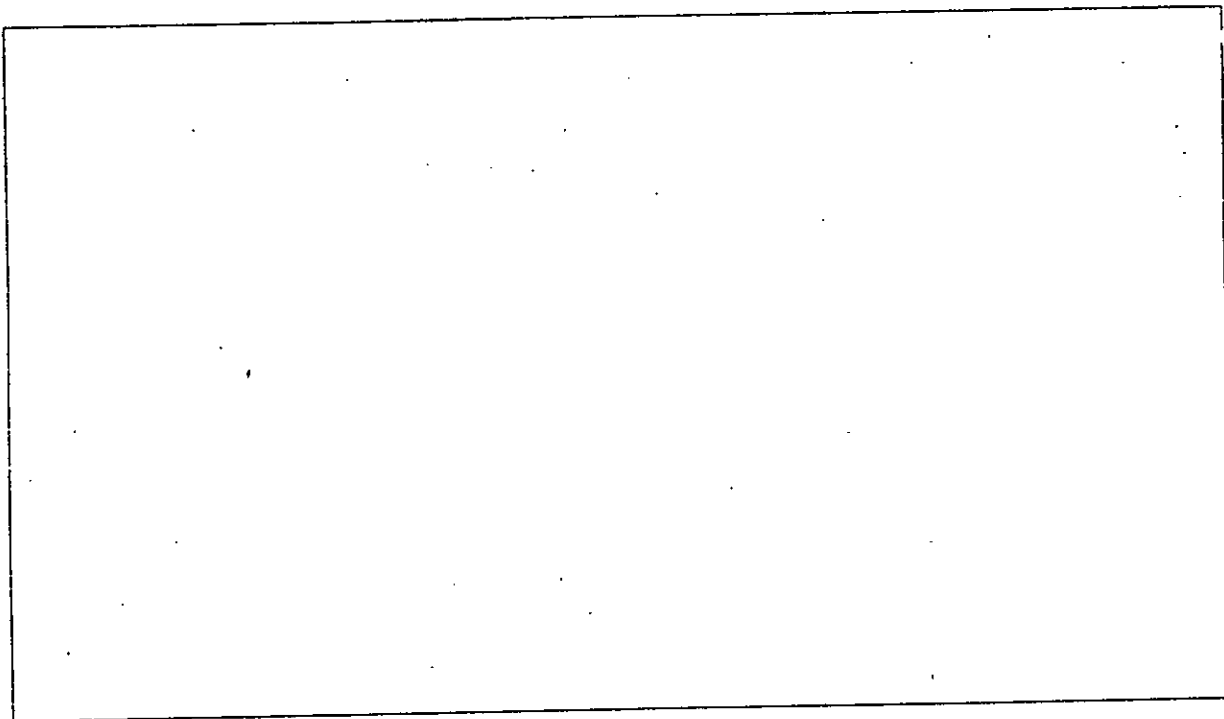

Established under KRSA Act 2007 - Government of Kerala

FORMAT FOR SUPPORT OF ROAD SAFETY PROGRAMS USING KRSA FUND

1. Project Title:
2. Project Location: Name of Town & District:.....
3. Project Cost (in words):
4. Brief Description of the Project (Not more than 250 words)
(Specify accident reduction strategy or Road Safety issues to be addressed in this proposal. Describe with supporting data. Please attach a map showing the location of the project area)

5. Need for the Project (A brief description stating why the project is necessary – not more than 150 words):

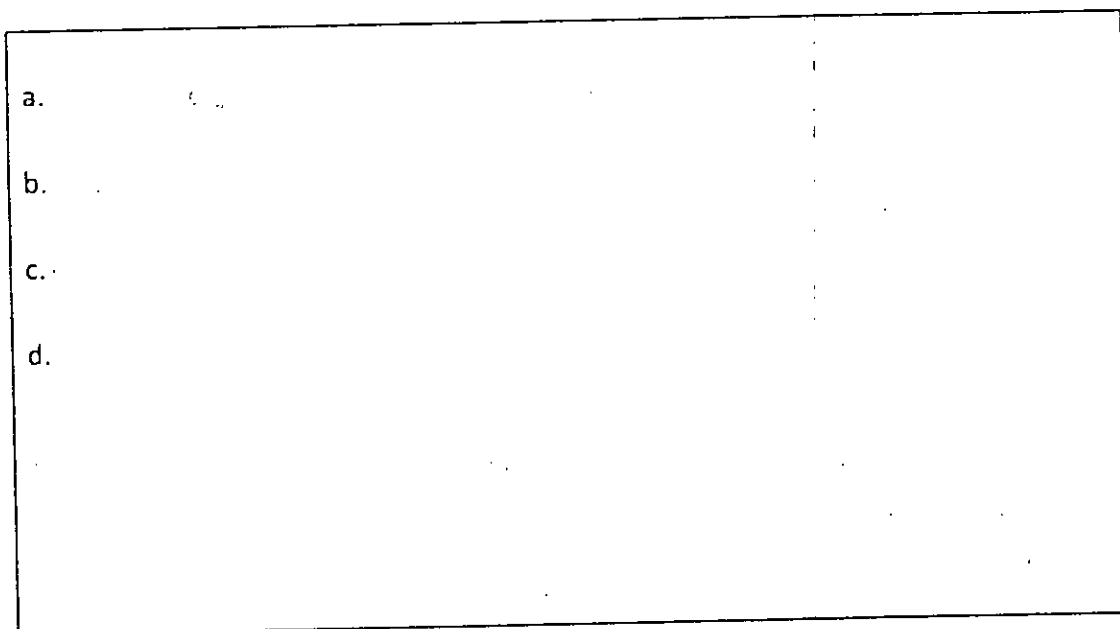

6. Objectives (things that you want to achieve to overcome the present gap):

a.

b.

c.

d.

- 17
7. Components of the Project: (Say. Safe Road Corridor involving multi sectoral interventions or engineering improvements, curve treatment, school zone treatment, purchase of enforcement equipment, traffic signal, signage , training and/or awareness program etc)

--	--

8. Benefits of project: (Highlight the likely benefits after implementation of Project- Please indicate with quantifiable or verifiable indicators)

a)	
b)	
c)	
d)	

9. Monitoring & Supervision:

Name and Designation of the Officer who will monitor and supervise the implementation of project (Executive Engineer-PWD or Police Chief or RTO etc)

--	--

12. Project Implementation

Progress of the work should be reported to KRSA periodically . Completion Report with Utilisation Certificate along with refund if any, should be submitted after completion of the Project. The completion Report may contain photographs/drawings showing " before and after " situation.

ENDORSEMENT BY HEAD OF THE DEPARTMENT/ CHAIRPERSON OF DRSC

On the basis of the decision taken at the Department meeting / District Road Safety Council meeting held on (date of the meeting) the above Road Safety Improvement Proposal is recommended for implementation under the Kerala Road Safety Fund Scheme.

Date:

Place:

Authorised signatory
with designation and
Office seal

Instructions

- a) No proposal should be submitted which can be implemented under the original works of the concerned department like shifting of utilities, overlay, road widening etc. Only road safety proposals which reduces fatality or accidents should be considered.
- b) In all the sites where the project is implemented using KRSA Fund, a board indicating "*Project funded by KRSA*" need to be placed conspicuously. The Board should state, the title of the project, cost, completion date, implementing authority etc
- c) A sustainable asset management/ Operation and Maintenance Management should be attached along with the proposal
- d) In case of purchase of vehicle, availability of driver/crew arrangement should also to be specified. O&M management also to be considered. While replacing old vehicles, the scrape management action should also to be reported.
- e) While procuring, the specifications of equipment, name of manufacturer/ vendor, warranty period etc need to be included
- f) While submitting proposal by Head of the Departments/DRSC, an authorised person can certify the endorsement.
- g) On approval of the project by KRSA, an agreement will be executed between the fund receiving Agency and KRSA, stipulating conditions like time frame, utilisation of fund, O&M, asset management, sustainability of the project, Utilisation Certificate and other terms of the project.
- h) The proposals will be scrutinised by a Technical Evaluation Committee of KRSA. If necessary, the Technical experts may undertake site visits to assess the project requirements and ground conditions.
- i) An undertaking is necessary after award of the project from the Implementing Officer stating that no funding has been obtained for the same project from any other source. If such funding is detected in later stage the implementing Officer is personally liable to refund the amount availed from KRSA.
