Explanatory Note

(This does not form part of the notification, but it is intended to indicate its general purport)

Various new courses which require additional qualification have been introduced by the Department. To keep pace with the changing times and

technological developments, various new trades and schemes like PPP & CoE have been introduced in the State by DGT, Government of India. In addition to infusion of funds for technological upgradation there is a need for restructuring the human resource base of the Industrial Training Institutes. Therefore the Special Rule has been drafted taking into account the need for quality and trained man power to meet the future training needs of the Department.

The 'Special Rules' in GO (P) 408/71/PD dated 29.11.1971 was formulated 34 years ago, when Industrial Training Department was conducting training in about 12 CTS trades, through 9 ITIs, in the state. Now there are about 100 ITIs functioning in the State and further expansion is in air. Number of trades, imparting training at ITI are also increased. Trades have been thoroughly revamped with syllabus revision and schedule of training varying from 6 months to 3 years duration, according to the needs of the industry. The scheme and schedule of the Central Staff Training Institute (CTI) has also been modified as per DGT guidelines. Qualification to the post of Instructors, framed by DGT as per the requirements of Industry. Strict enforcement of the rule regarding training is also compulsory for promotion benefits etc. Various new courses which require additional qualifications have been started.

In the circumstances an elaborate study was conducted and the draft Special Rules has been prepared, meticulously considering the special needs of this Department. These rules covers qualification of Instructors for all trades of CTS and Basic and Advanced modules of all CoE sectors which are being conducted in the state. This Rule is structured in such a way that the selection to various categories and posts in the Department will be done by the Kerala Public Service Commission.

These special rules have been created to comply with the directions given in WP(C)7765 of 2011(U) and subsequent G.O.(Rt) 89/2010/LBR dated 15/01/2010. The qualification of Motor Driver is fixed as per DGT norms in the Training Manual. These rules will enable the Motor Driver to assist to practice driving for trainees in Motor Mechanic Vehicle trade and such similar trades in the department.

This notification is intended to achieve the above object.
