Note # 1**NOTE****SUB:- Request for NOC and revalidation of the Essentiality Certificate - Request by Chairman, Kerala Medical College, Palakkad (Royal Medical Trust)-reg.**

Kindly see the letter received from the Chairman, Kerala Medical College , Palakkad regarding the request for NOC and revalidation of the Essentiality Certificate in C.F Page No.1. Kerala Medical College established at Cherpulassery, Palakkad District has received an [Essentiality Certificate](#) from Govt. of Kerala vide Order No. 140/S3/2016/H&FWD dated 07/07/2016. The Chairman has informed that 150 students were admitted in the college during the academic year 2016-17 and continued their studies up to the academic year 2017-18. **But these students admitted in this college were shifted to other 9 Self- financing Medical College, for want of infrastructure facilities and deficiency of faculties .** At present, the College, Hospital and Landed property of Kerala Medical College owned and occupied by a New Management. The New Management rectified all deficiencies pointed out by Medical Council of India and the Kerala University of Health Sciences during their inspection. The Board of Governors in Supersession of Medical Council of India [vide letter no.MCI-34\(41\)\(E-21\)/2019- Med./163494 dated 11/11/2019](#) directed to apply for next academic section for approval of the MBBS programs in the Medical College. In the circumstances the Chairman has requested to issue the revalidated NOC and Essentiality Certificate to restart the MBBS programmes in the current academic year.

It may be noted that the Essentiality Certificate is only one of the formalities to be cleared for obtaining letter of permission from MCI to run the MBBS course in the institution. Univeristy/DME may be requested to conduct an inspection and report whether the college has got the requisite infrastructure to run the course. For orders

The Chairman, Kerala Medical College , Palakkad requested for NOC and revalidation of the Essentiality Certificate . The Kerala Medical College established at Cherpulassery, Palakkad District has received an Essentiality Certificate from Govt. of Kerala and 150 students were admitted in the college during the academic year 2016-17 .They continued their studies up to the

academic year 2017-18. But these students were shifted to other 9 Self- financing Medical College, for want of infrastructure facilities and deficiency of faculties . At present, the College, Hospital and Landed property of Kerala Medical College owned and occupied by a New Management and they have informed that, they have rectified all deficiencies pointed out by Medical Council of India and the Kerala University of Health Sciences during their inspection. The Board of Governors in Supersession of Medical Council of India vide letter no.MCI-34(41)(E-21)/2019- Med./163494 dated 11/11/2019 directed to apply for next academic section for approval of the MBBS programs in the Medical College. In the circumstances the Chairman has requested to issue the revalidated NOC and Essentiality Certificate to restart the MBBS programmes in the current academic year.

But, Now a days Government have avowedly revealed its stand to not to issue Essentiality Certificate for opening of new medical graduate courses in the state. In the circumstances, for orders whether we may stick on our stand or whether steps may be taken to re validate the E.C as requested by the College authorities.

Note # 3

Though the Kerala Medical College was closed down by the MCI, the new management had expressed their willingness to restart the college. They have represented that they have cleared all the deficiencies pointed out by the MCI and hence have requested to grant essentiality certificate. In the wake of the recent pandemic our country is facing acute shortage of medical personnels and medical facilities. Hence it is better to give them a chance to prove their merit. So its better to conduct an inspection in the college and to see that the college fulfils all the requirements of a medical college. Hence the university may be directed to conduct an inspection in the college and to report whether the college qualifies all the criteria which is necessary for the functioning of a medical college. File submitted for orders.

Notes above. The request is for revalidation of Essentiality Certificate in r/o Palakkad Medical College, Cherppulassey which has become defunct subsequent to the failure to run the college due to mismanagement, fraudulence and financial instability and pursuant to it the responsibility of protecting the students of that college fell upon Government as Government was bound to abide by the particular clause in the Essentiality Certificate guaranteeing the responsibility of the students in case of failure by the management. The students and parents of Palakkad Medical College, Cherppulassey cited the very same clause for intervention by Government before the court and obtained favourable orders. As such the students were shifted to other 9 Self-financing Medical Colleges. The parents of SR Medical college are also suing before the court with the same request citing the very same clause and the GOI invoking the said provision in the Essentiality certificate has already directed the state Government to distribute the students to other private medical colleges. At present, the College, Hospital and Landed property of Kerala Medical College are owned and occupied by a New Management. As everybody knows self financing medical Educational institutions are nothing but business enterprises now a days. Government machinery need not at all cater to any business interest. **Learning lessons from the litigations in this regard and also from the conviction that we are having surplus medical graduates Government have avowedly taken their stand to not to issue Essentiality Certificate for opening of new medical colleges in the state.** There is already another general file with regard to the request put in by various self financing medical colleges for Essentiality certificate from Government **for enhancement of medical seats** which is now with the Minister (H) pending decision.

That being the situation it is submitted for orders whether we need give them a chance to prove their merit as suggested above.

The students and parents of Palakkad Medical College, Cherppulassey cited the very same clause for intervention by Government before the court and obtained favourable orders. The

parents of SR Medical college are also suing before the court with the same request citing the very same clause. Hence it is brought to the attention that it is not advisable to issue Essentiality Certificate bearing the above stated wordings to any of the self financing colleges again.

From the above it is seen that it is high time to evolve a steady policy in this matter. In this connection *it may be pointed out that among the self financing medical colleges in the state, two of them have already failed to run the college due to mismanagement, fraudulence and financial instability and the responsibility of protecting the students fell upon Government as Government are bound to abide by the particular clause in the Essentiality Certificate guaranteeing the responsibility of the students in case of failure by the management. In the case of SR Medical college Government is at present on the brink of an embarrassing situation that only a few colleges came up to share the students(only two in number have valid recognition and it is heard that between the two one has already backed out). In such a situation on the strength of the said dangerous clause as contained in the Essentiality Certificate we will even be compelled to accommodate the students in Government sector if court directs so citing the said clause). It is learned that many of the colleges are trailing towards such pathetic plight. On getting Essentiality Certificate, as we all know, many of the managements start playing dirty tricks and finally manages to get through the MCI assessment by hook or crook fooling the MCI team as happened in the above two mentioned colleges. The net result is putting the students in jeopardy and total compromise of quality education. Recently in a judgement by the Supreme court I remember to have come across the wordings of the Apex court slamming the Bihar Government stating that they are producing half baked doctors. As everybody knows self financing medical Educational institutions are nothing but pure business enterprises and mushrooming of the same is no doubt a criminal trend which should be deprecated to the core especially in a state like Kerala.*

In the above circumstances it is suggested that Govt. on public interest may evolve a consistent stand not to entertain neither any request from the Self financing Medical Colleges to enhance the seats nor any request for starting new Medical Colleges .

RENEWED ESSENTIALITY CERTIFICATE
No.140/S3/2016/H&FWD

The Department of Health:

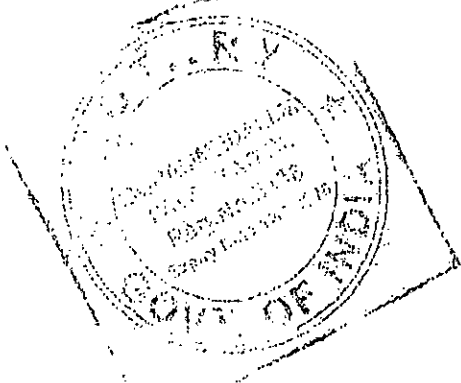

Dated : 07.07.2016

To

The Chairman,
Royal Medical Trust,
Mangode, Cherpulasseri
Palakkad - 679 503

The desired Certificate is as follows:

1. No. of Institutions already existing in the State: 30 (9 Govt. Medical Colleges + 1 Co-Operative Medical College + 1 Medical College under Deemed University + 19 Private Unaided Self Financing Medical Colleges)
2. No. of seats available or No. of doctors being produced annually : 3600
3. No. of doctors registered with the State Medical Council : 37845
4. No. of doctors in Government service : 6353
5. No. of Government posts vacant and those in rural/difficult areas : 1200
6. No. of doctors registered with Employment Exchange : 434
7. Doctors population ratio in the State : 1:2305
8. The No. of doctors being produced annually now is not sufficient enough to meet the ever increasing demand of the illiterate population of Kerala. Secondly, more number of brilliant students who are unable to get admission locally go to the neighbouring States and get admission paying hefty capitation fee. Thirdly, there are 434 numbers of vacancies in the Government Health sector as of now. Fourthly, there is a need for reducing the ratio among the population and the no. of doctors.
9. As of now, only students domiciled in the State are given admission in the Government Medical Colleges. However, certain number of seats are earmarked for allocation under the Central Pool. The question of imposing restriction on students who are not domicile in the State will be decided as per the existing guidelines of Government of India and the Medical Council of India.

[Handwritten Signature]
HEALTH SECRETARY,
PALAKKAD DISTRICT

10. The area in which the applicant desires to establish Medical College requires such an institution of this kind. There is a demand for better medical facilities and medical professions as well.
11. Doctor-patient ratio proposed to be achieved 1:800
12. This Certificate is valid for the academic year 2017-2018 and 2018-2019 ✓

The Chairman, Royal Medical Trust, Mangode, Cherpulasseri, Palakkad District has applied for establishment of a Medical College at Mangode in Palakkad District. On careful consideration of the proposal, the Government of Kerala has decided to issue an Essentiality Certificate to the applicant for the establishment of a Medical College with 150 seats.

It is certified that:-

- (a) The applicant owns and manages 500 bedded hospital at Palakkad District.
- (b) It is desirable to establish a Medical College in the public interest.
- (c) Establishment of a Medical College at Palakkad District by the **Royal Medical Trust** is feasible.
- (d) All clinical materials as per Medical Council of India norms are available in the hospital.
- (e) The Management will share 50% of the total MBBS seats with Government to fill students from the list prepared by the Commissioner for Entrance Examinations, Kerala.

batch of the course passed out and the same would not bear any interest. (iv) Agreeing that at any point of time if the University finds the college lacking in any of the facilities the amount kept as financial guarantee and deposit would be forfeited by the University. Further that the institution would not be eligible for affiliation for the next two years and any grant of affiliation thereafter would be treated as fresh affiliation. The management should also undertake that they would be responsible for any loss of difficulty caused to the students admitted to the college and would adequately compensate them if circumstances so warrant.

4. As per read (3) above, the Chairman, Kerala Medical College, Palakkad has submitted the affidavits and undertaking as directed by the University and deposited Rs. 50 lakh in the University account as refundable deposit (interest free). The college has also remitted Rs. 10 lakh as provisional affiliation fee and Rs. 20 lakh as refundable deposit.

5. Sanction, has therefore been accorded by the Vice-Chancellor, in exercising the powers conferred under Section 12(7) of Kerala University of Health Sciences Act, 2010 to grant conditional provisional affiliation to Kerala Medical College, Palakkad for conducting MBBS course with an annual intake of 150 seats during the academic year 2016-17 subject to ratification by the Governing Council and the conditions detailed below:-

1. Selection, Admission and collection of fees shall be made only on the basis of the rules and regulations of the University/Govt. of Kerala and on the basis of the direction issued by the University/Govt. of Kerala from time to time, failing which the affiliation granted will be cancelled.

2. Affiliation granted is subject to the out come of the inspection to be conducted at the college.

3. The University shall forfeit Rs. 50 lakh (interest free) being kept as financial guarantee and Rs. 20 lakh being the refundable deposit for starting the college, if the University finds that the college is lacking minimum requirements needed for conducting medical college with MBBS course having annual intake of 150 seats.

4. In the light of the direction of the Supreme Court of India in Writ Petition(c) 656/1998, the institution shall take appropriate measures for prevention of ragging in any form. In case of failure to prevent the instances of ragging, appropriate action including withdrawal of affiliation of the College will be initiated.

5. Affiliation granted is strictly provisional and only for the academic year 2016-17. The college has to apply for continuation of provisional affiliation for the ensuing years remitting the fee fixed by the University, along with a copy of letter of approval from the apex bodies concerned.

Sir,

Sub: Kerala Medical College, Mangode, Cherpulassery, Palakkad – Request for NOC and Revalidation of the Essentiality Certificate issued to this college –Reg-

Ref: Essentiality Certificate No: 140/S3/2016/H&F WD dated 07/07/2016

With reference to the above, we would like to inform your good self that the Kerala Medical College established at Mangode, Cherpulassery, Palakkad District had received a renewed Essentiality certificate from Govt. of Kerala vide order No: 140/S3/2016/H&F WD dated 07/07/2016. According to the approval vide order No. 12014/13/2016- ME - I of Govt. of India Ministry of Health and Family Welfare, New Delhi of 20/08/2016 and affiliation order from Kerala University of Health Sciences vide order No. 2602/AC-A/KUHS/2012 Academic Branch dated Thrissur 29/09/2016 150 MBBS students were admitted in the college during the academic year 2016-2017 and continued their studies up to the academic year 2018-2019. But the students admitted in this college were shifted to other 9 self-financing Medical colleges for want of infrastructure facility and deficiency of faculty in the 5th semester (IInd MBBS) period happened due to unavoidable situation and financial crises of the institution.

We had already spent more than Rs.250 crores for land, construction of the buildings, purchase of Medical equipments, Lab equipments, and furniture. The discontinuation of course worsened the financial crises of the institution due to cessation of tuition fee revenue from the students. In order to recover from the pathetic condition restarting of the course is inevitable.

At present we are confident to restart the MBBS course in this college in the academic year 2021-22, fulfilling all amenities as per minimum standard requirements for starting MBBS

course as per MCI / NMC norms. The Medical Council of India vide their order No. MCI-34(41)(E-21)2019-Med./163494 Dated 11/11/2019 directed us to apply for next academic session

(2021-22) for approval of the MBBS program (copy enclosed). The applications for continuing the course have to be submitted to NMC with in a period from 16/10/2020 to 15/11/2020.

In this context, we inform you that now our well-equipped 400 bedded Kerala Medical College Hospital is utilizing by Kerala Govt. Health Department as Covid Hospital in Palakkad Dist.

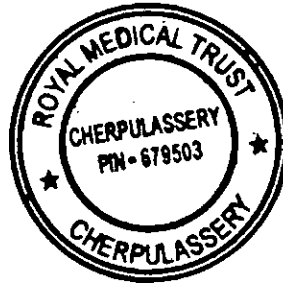

In the circumstances we request you to give NOC and revalidate the Essentiality certificate issued to this college for submitting application in the office of NMC New Delhi.

Thanking you

Yours faithfully

The desired Certificate is as follows:

1. No. of institutions already existing in the State: 30 (9 Govt. Medical Colleges + 1 Co-Operative Medical College + 1 Medical College under Deemed University + 19 Private Unaided Self Financing Medical Colleges)
2. No. of seats available or No. of doctors being produced annually : 3600
3. No. of doctors registered with the State Medical Council : 37845
4. No. of doctors in Government service : 6363
5. No. of Government posts vacant and those in rural /difficult areas : 1200
6. No. of doctors registered with Employment Exchange : 434
7. Doctors population ratio in the State : 1:2305
8. The No. of doctors being produced annually now is not sufficient enough to meet the ever increasing demand of the literate population of Kerala. Secondly, more number of brilliant students who are unable to get admission locally go to the neighbouring States and get admission paying hefty capitation fee. Thirdly, there are 434 numbers of vacancies in the Government Health sector as of now. Fourthly, there is a need for reducing the ratio among the population and the no. of doctors.
9. As of now, only students domiciled in the State are given admission in the Government Medical Colleges. However, certain number of seats are earmarked for allocation under the Central Pool. The question of imposing restriction on students who are not domicile in the State will be decided as per the existing guidelines of Government of India and the Medical Council of India.

भारतीय आयुर्विज्ञान परिषद के अधिवक्त्रमण में शासी बोर्ड
BOARD OF GOVERNORS
IN SUPERSESSION OF MEDICAL COUNCIL OF INDIA

5. The Hearing Committee considered the matter and recommended as under:-

"Since the applicant failed to make a representation or appear before the Committee, the Committee recommended to disapprove the application for Establishment of New Medical College for the Academic Year 2020-21."

6. Now therefore, accepting the recommendation of the Hearing Committee, the Board of Governors in supersession of Medical Council of India hereby disapproves the scheme for Establishment of new medical college at Palakkad (Kerala Medical College, Palakkad, Kerala) by Royal Medical Trust, Palakkad, Kerala u/s 10A of the IMC Act, 1956 for the academic year 2020-21. However you are free to apply afresh for next academic session strictly as per provision of IMC Act, 1956 and Regulations framed thereunder.

Yours faithfully,

S. Savitha

ESSENTIALITY CERTIFICATE (Revalidated)

No.S3/116/2020-Health

HEALTH & FAMILY WELFARE (S) DEPARTMENT

Dated :05/11/2020

To

The Chairman,
Royal Medical Trust,
Mangode , Cherpulassery,
Palakkad-679 503

Sir,

The desired certificate is as follows:-

- (1) No. of institutions already existing in the State: 30(10 Govt. Medical Colleges + 20 Private Unaided Self Financing Medical Colleges)
- (2) No. of seats available or No. of doctors being produced annually: 3755
- (3) No. of doctors registered with the State Medical Council: 840130
- (4) No. of doctors in Government service: 6363
- (5) No. of Government posts vacant and those in rural/difficult areas: 1200
- (6) No. of doctors registered with Employment Exchange: 434
- (7) Doctor population ratio in the State: 1:1800
- (8) How the enhancement of MBBS seats would resolve the problem of deficiencies of qualified medical personnel in the State and improve the availability of such medical manpower in the State:
The number of Doctors being produced annually now is not sufficient enough to meet the ever increasing demand of the literate population of Kerala, more number of brilliant students who are unable to get admission locally go to the neighbouring states. There are 434 numbers of vacancies in the Government Health Sector as of now .There is also a need for reducing the ratio among the population and the number of Doctors.
- (9) The restrictions imposed by the State Government, if any, on students who are not domiciled in the State from obtaining admissions in the State, be specified.

As of now, only students domiciled in the State are given admission in the Government Medical Colleges. However, certain number of seats is earmarked for allocation under the Central pool. The question of imposing restriction on students who are not domicile in the State will be decided as per the existing guidelines of Government of India and the Medical Council of India. As per Hon'ble Supreme Court direction, 15% Seats of Self

Financing Colleges are set apart for candidates from other states.

(10) Doctor-patient ratio proposed to be achieved: 1:800

The Chairman, Royal Medical Trust , Mangode, Cherpulassery, Palakkad District has applied for the revalidation of the existing Essentiality Certificate to restart the MBBS Course of their Medical College namely Kerala Medical College , Mangode, Cherpulassery, Palakkad District, Kerala State. On careful consideration of the proposal, the Government of Kerala has decided to revalidate the Essentiality Certificate for restarting the MBBS Course with 150 seats.

It is certified that:-

- (a) The applicant owns and manages a 400 bedded hospital at Palakkad District.
- (b) Adequate clinical material as per the Medical Council of India norms is available.

Yours Faithfully,

RAJAN NAMDEV KHOBRADE, IAS
